About the Author

VAGABOND was created by Takehiko Inoue, author of the best-selling manga *SLAM DUNK*, with over 100 million copies in print worldwide. Inoue received the 2000 Media Arts award for Manga from the Japanese Ministry of Culture as well as the 2000 Kodansha Award for best manga for his work on *VAGABOND*. In 2002, *VAGABOND* received the prestigious Tezuka award for best manga. Most recently, Inoue has been nominated for a 2003 Eisner Award for best writer/artist. To date *VAGABOND* has sold over 22 million copies throughout the world. In addition to his numerous manga titles, Inoue also created the character designs for the PlayStation basketball game, *ONE ON ONE*.

About *VAGABOND* and Miyamoto Musashi

Takehiko Inoue's *VAGABOND*, based on Eiji Yoshikawa's novel *MUSASHI*, is a fictional account of the life of Miyamoto Musashi (1584-1645). The historical figure Miyamoto Musashi, author of the philosophical strategy guide *A BOOK OF FIVE RINGS*, was a master of the sword and was revered as a "sword-saint." He founded the Niten Ichi style of sword fighting, which is typified by fighting with both long and short swords at once—holding the long sword with the right hand and the short sword with the left. Musashi was also a master of the "gentler arts"—he was a master of *sumi-e* (black ink drawings), metalworking, and woodcarving. The films that comprise *THE SAMURAI TRILOGY* directed by Hiroshi Inagaki and starring Toshiro Mifune, were also based on Yoshikawa's *MUSASHI*. Inspired by the huge success of *VAGABOND* in Japan, in 2003 NHK produced the historical period drama *MUSASHI*. Also based on Yoshikawa's novel, this drama stars kabuki actor Shinnosuke Ichikawa as Musashi and TV star Ryoko Yonekura as Otsu.

A note on names:

The names presented within the context of this comic are presented in the traditional Japanese order—surname followed by first name. "Miyamoto" is Miyamoto Musashi's last name and "Musashi" is his first name. The name of the creator of *VAGABOND*, however, has been presented first name first, last name second. "Takehiko" is the author's first name and "Inoue" is his last name.

Founder of the Shinto Muso-ryu school of martial arts, which mainly utilized the wooden staff. Gonnosuke is said to have been one of the many to lose to Musashi in a duel. According to some accounts he defeated Musashi in a rematch.

Sasaki Kojiro (dates unknown)
The legendary archrival of Miyamoto Musashi. Kojiro is believed to have studied the Chujo-ryu style of swordsmanship under the instruction of either Toda Seigen or Kanemaki Jisai. Kojiro was renowned for his *Tsubame-gaeshi*, or "swallow-cut" technique which was inspired by the movement of a swallow in flight.

The Sengoku Period and the Battle of Sekigahara
The Warring States or *Sengoku* period (1482-1558) in Japan was a time of chaos and conflict. Central authorities, in the form of the imperial court and the shogunate, had grown increasingly weaker, and the land was effectively ruled autonomously by numerous *daimyo* (domainal lords). Looking to expand their spheres of control, the *daimyo* were constantly at war with each other. One *daimyo* in particular, Oda Nobunaga, set out on a mission to unify Japan by means of conquest. Incredibly successful, by the time of his assassination in 1582, he managed to control approximately one-third of all of Japan. One of Nobunaga's chief generals, Toyotomi Hideyoshi, became Nobunaga's successor to carry on the quest for unification. Through a process of conquest and conciliation, Hideyoshi succeeded in creating an orderly federation amongst the *daimyo*, and by 1590, order was restored to Japan under Hideyoshi's rule. Hideyoshi's death in 1598, however, presented the question of succession. Most of the *daimyo* from the domains in the west remained loyal to the Toyotomi Clan and its five-year-old heir, Toyotomi Hideyori. Tokugawa Ieyasu, however, leading the major *daimyo* from central and eastern Japan, challenged the Toyotomi clan's leadership. The two sides clashed at the Battle of Sekigahara (1600) in Mino (located in present-day Gifu Prefecture) where the Tokugawa claimed an overwhelming victory. From that point on, the Tokugawa clan would effectively rule Japan for the next 250 years.

Shinmen Takezo
Miyamoto Musashi's boyhood name.

Takuan Soho (1573-1645)
A monk of the Rinzai sect of Zen Buddhism, by the time Takuan was thirty-seven, he was appointed abbot of the leading temple of the Rinzai sect, Daitokuji. Takuan was an important figure whose acute and brutally honest advice was sought by influential and powerful figures such as Emperor Go Mizuno and the shogun Tokugawa Iemitsu. His correspondence to Yagyu Munenori discussing Zen and swordsmanship entitled *THE UNFETTERED MIND* has become an influential treatise in both the areas of philosophy and martial arts. The pickled daikon radish, *takuan*, also bears his name.

The Yagyu Clan
Yagyu Muneyoshi Sekishusai (1527-1606) was the founder of the famed Yagyu-Shinkage school of sword fighting. His son Yagyu Munenori (1571-1646) was one of Tokugawa's key generals at the Battle of Sekigahara. Munenori was appointed as the official fencing instructor of the Tokugawa Clan, and in 1632 the Yagyu were appointed as the *ometsuke*—responsible for the surveillance of the *daimyo*. Although the Yagyu clan has been depicted in Kazuo Koike's *LONE WOLF AND CUB* as the plotters of the downfall of Itto Ogami, the general Japanese popular culture take on the Yagyu Clan is more positive. More specifically, Munenori's son, Yagyu Jubei (1607-1650), is viewed as a wandering hero protecting the people from evildoers.

Yoshioka Kempo (dates unknown)
A distinguished warrior during the *Sengoku* period (1482-1558) and the founder of the renowned Yoshioka school of sword fighting. Yoshioka Kempo mastered the Kyohachi style of swordmanship and then modified it to form the Yoshioka style. In the context of Inoue's *VAGABOND*, as well as in Yoshikawa's *MUSASHI*, Yoshioka Seijuro and Denshichiro are Kempo's sons who are historically thought to have dueled with Miyamoto Musashi on numerous occasions.
